

Attention: - Ministry of Education  
State of Kuwait  
Reference: AEC-1219005 /2019  
Date: 5<sup>th</sup> December 2019

**Project: United International Indian School at Al Hassawy – Jleeb Al Shyouikh**

**Subject: Certificate of completion**

We, AEC, here by certify that as we are the Engineering Consultancy Office, who were responsible for the Design and Construction supervision works for the project mentioned above.

We certify that the building was designed and constructed as per the Kuwaiti Engineering codes, and all the safety regulations were applied to this project and the building is safe from the Architectural and structural side.

Moreover, as per our inspection to the building, we found that the building is matching all the Health and sanitation codes used here in Kuwait, and the building is ready for operation.

This certificate has been prepared and handed over to the client, as per their request without taking any responsibility on ourselves.

**With High Respect and Appreciation,**

Sincerely,

Arab Engineering Consultants
