**Subject: Inspection of the United International Indian school building, Jleeb Al Shuyoukh ,Hassawi**

Dear Messrs.

With reference to the above subject and based on your request to inspect the suitability and safety of the building for use according to its current condition and by visual inspection of the structural elements.

We found that the building is safe for use, taking into account that no loads are added to the roofs of the buildings.

This is based on our visual inspection, the engineering office shall not be held liable for any legal, financial, or technical matters in this regard.

Regards,

ENG. Mahinaz Ibrahim
